Hi! My name is Truffles, the clown. I'm glad we're going to be together. I'm a handmade ceramic and porcelain hand puppet. I'm as unique as you because I'm one-of-a-kind.

Play with me, talk with me - I'm cool in all sorts of places. Let's make up our own stories together.

Treasure me and one day I'll be recognizable because I'm so unique.
